

Ways to pay your Fundraising money in

Use your NetSuite account to see how much money you've fundraised, and how close you are to your fundraising target.

To log in, visit: <https://system.netsuite.com/pages/customerlogin.jsp>

- Your username is your email address.
- Your password is your Raleigh ID number.
- To see all your contributions to date click on the 'see all transactions' button.

Please Remember

- Your fundraising target is the minimum donation required for you to participate in an overseas programme but is not linked directly to the costs of your participation. Your fundraising goes towards the total costs of the organisation.
- We therefore encourage you to try to exceed your target, as any additional funding will be used to support our ongoing charitable work.
- Try to deposit any funds as soon as you raise them. This will allow us to see how well your fundraising is going and support you more effectively.

Online Donation Pages

Online donation pages are quick to set up, can be shared easily and personalised with updates and photos of what you've been up to. Anyone can donate, and your supporters can also post messages of encouragement via your page. The two types of donation page you can use to fundraise for Raleigh are JustGiving and VirginGiving. For guides on how to set up a page please look at the [resources page here](#). Please do not use a crowdfunding type page as these can be hard for us to track.

Paying over the Phone

You can also pay over the phone using a credit or debit card by calling our Finance department on +44 (0) 203 384 1855. They are available from 9am – 5pm Monday to Friday.

Paying by Cheque

Please make cheques payable to Raleigh International Trust, and write your name and Raleigh ID number on the reverse side to ensure the donation is added to your account. We strongly advise you not to send cash in the post. Raleigh will not accept liability for any missing cash.

Please post cheques to:

Raleigh International Trust
Third Floor
Dean Bradley House
52 Horseferry Road
London
SW1P 2AF

Paying by Bank Transfer

Please ensure that your name and Raleigh ID are included in the details of the transfer, and confirm with your bank that these details will appear on our bank advice.

GiftAid

If the person who makes a donation is a UK taxpayer, Raleigh can collect an extra 25% on their donation through GiftAid. Unfortunately, **GiftAid does not contribute towards your personal fundraising target.** Raleigh claims Gift Aid tax recovery on eligible UK donations which is then applied centrally to our costs. Because not all donations are eligible for Gift Aid, we are unable to include this as part of an individual's fundraising target. Please contact your volunteer coordinator if you require further information on this.

Refunds

Raleigh International is a charity and as such all amounts raised are general donations and cannot normally be refunded to you or your donors. This particularly applies if you decide to withdraw, or are withdrawn for any reason from the programme. If you decide to defer to a later expedition, your fundraising total and deposit will automatically be transferred across to your new expedition.
